Welcome

Christine and Alejandro

The Marble Shop welcomed two new faces. Christine Parsons was hired as our new Marble Shop Coordinator. She is already making a big difference, and we are happy to have her on board.

Alejandro Contreras accepted a new position of Marble Shop Production Manager on December 1. He is new to the area, moving from Minnesota. We are very excited to have him here. Welcome!

Congratulations to Mike Hawley. He won the drawing for \$200 for letting us know he read the Gallegos Gazette last month. Thank you for all the responses.

Holiday Parties

All employees and their families are invited to the annual Holiday Parties.

Basalt's Party will be held at the Orchard in Carbondale on December 5, at 6:00 pm.

The Vail Area party is at the Backbowl in Eagle on Sunday December 7 at 6:00 pm

Denver's party is Friday December 12 at 6:00 pm at the Denver office.

December 2014

Happy Holidays from The Gallegos Corporation

Happy Holidays to all,

Hard to believe it is December again already! I hope you all had a wonderful Thanksgiving with your families, friends and perhaps a couple days to rest from the frantic pace we have been on for the last few months. Work has been busy in all regions across the company throughout the fall months, which has offset the slow start to 2014.

As a company we have much to be thankful for beginning with all the dedicated hard working individuals that make up The Gallegos Corp. Throughout the last few years everyone has pulled together to keep this company strong and growing which is clearly demonstrated whether you are at any of the job sites, offices, stone yard, warehouses, marble & mechanic shops or the classroom in Wolcott. A company with the knowledge we have being shared, leveraged and passed on to the younger or newer employees will create success for all well into the future.

As Gallegos Corporation employees we too share in the mission to support the communities we live and work in. Please keep this in mind and contribute to the food drive within your office, volunteer your time to a good cause, help a stranger or just pay it forward in the way that works best for you. Together we will make a difference!

With Christmas coming many of our H2B employees will be returning home to see their families, please take a moment to thank them for all they do. What a tremendous group of individuals that come each year to work with us, we are fortunate to have them as part of The Gallegos Corporation!

We hope to see all of you and your families at the Holiday parties, what a great time to share some food, laughter and a huge thanks for all that each employee does throughout the year.

Merry Christmas and a Happy New Year!

Sincerely
Suzanne and Gary

Gallegos

Building Solutions
for Distinctive Projects

The Gallegos Corporation's Mission

Lead our industry by creating value for our customers, employees, and communities through safe, quality construction of the highest professional standard.

Annual Food Drive

The Gallegos Corporation's annual Food Drive will kick off on December 5 and continue through December 18, 2014. Please do all you can by contributing canned goods and monetary donations at your office. All proceeds will benefit the Salvation Army (Vail), Lift Up (Aspen) and Food Bank of the Rockies (Denver). Thank you for continuing Gerald's legacy of helping our communities.

Reminder: Bring a canned good to the Holiday Parties.

In October many employees submitted nominations for the G3 award winners. The Gallegos Corporation is very proud of the work we do, and it could not be accomplished at such a high level without our employees. Based on the amount of the nominations and the quality of their work, a G3 winner was chosen from all three locations. Thank you for the submissions and all the employees that were nominated. Your hard work is appreciated.

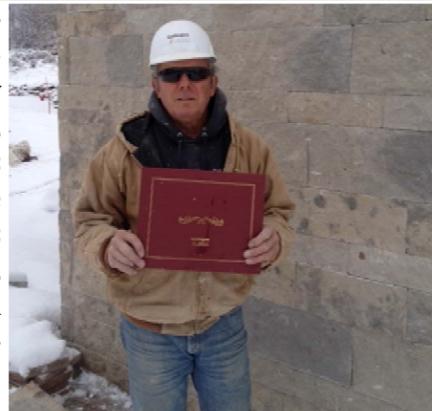

G³ October Winner D 20

Juan Ramon Becerra is the Division 20 G3 award winner for the month of October. Shannon Gallegos nominated Juan saying "Juan always makes a challenging job look easy. He is a team player." Juan has been in our masonry division for 18 years. He always shows up with a positive attitude and ready to work. Juan also goes above and beyond what is needed to complete the jobs. He is in the Project Supervision Apprentice Program, one of the teachers of the Spanish Masonry Apprentice Program, joined the Safety Committee, and volunteers at the 4th of July Parade. Juan takes the time to contribute to the company as a whole in addition to being an asset on his jobs. Thank you Juan and congratulations.

G³ October Winner D 21

Steve Laven is the Division 21 G3 winner for October. Jim Bingaman nominated Steve saying "Steve is the most dedicated and loyal employee a supervisor can ask for. He maintains a positive attitude daily. Respected by all of our employees and external clients, Steve is a pleasure to work with. He demonstrates integrity with all his decisions, and always keeps what is best for the company in mind." In addition to being a team player, Steve also takes the time to be a great teacher and mentors our field employees on job sites. Steve steps up to every challenge and exceeds expectations. Jim also added "Steve will do anything asked of him and will always do a great job." Thank you Steve for your 16 years of hard work and dedication, you are very deserving of this award.

G³ October Winner D 60

Congratulations to Jeremiah Paris, the Division 60 G3 winner for October. Jeremiah came to Denver late this summer from the Mountain Concrete division. He stepped into the role of rigging, scaffold and labor foreman at the Art Museum Hotel project. Ken Adent, the superintendent on the Art Hotel, continually compliments Jeremiah on his organization, leadership skills and initiative. We have been very impressed with his construction knowledge and ability to jump into a new trade seamlessly. Jeremiah has excelled at setting the Hydro Mobile scaffolding quickly and safely, making our project more productive. He has been a great addition to the Denver team and we appreciate all of his hard work and efforts. Thank you Jeremiah.

Stoneyard Drivers

Juvenal Sandoval and Bill McKeon deserve extra recognition for their work at the Stone Yard. Juvenal (pictured left) transports an impressive 10,000 tons a year in 12 to 13 tons loads, without one accident over his ten years with The Gallegos Corporation. He still takes the time to ensure every load is secure, from beginning to end of transport, stopping along the route to double check. Juvenal gets along with everyone and is respected by all his coworkers for his dedication and great attitude.

Bill McKeon (pictured below right) has been with the Gallegos Corporation for over 11 years. He spends his winters driving dog sleds, and spends his summers safely driving over 33,000 miles for us. Bill's attention to detail and pride in his work are respected by his coworkers and clients. He always goes above and beyond what is required, even taking on driving the floats for the Vail and Minturn 4th of July Parades.

Thank you both for your hard work, attention to safety and great attitudes.

Construction Economy Continues to Improve by Seth Cole

As we wind down the year, it seems that the economy continues to improve. The company backlog is larger than it has been in recent years and we can all look forward to a busy 2015. In Vail, the Strata Vail, 100 Vail Road, Betty Ford Alpine Gardens, Mill Creek, Zekelman, Pietrini, and Waterhouse projects will keep us busy in the new year. This is good news as the true bidding season has yet to begin. In Denver, the Steel Creek, Art Museum Hotel, Kansas State University, Limon School, Ullman Residence, and Speer Apartments projects offer the opportunity to keep succeeding as the workload is ever growing. In Aspen, the Aspen Park, Conundrum 255, Preston Guest House, Morgan Residence, Mustang Ranch and RMI Innovation jobs will keep our crews hopping as we begin the new year. It's good to know that the market is improving and we are starting to see the impact of the new economy. As always, we need to be on the lookout for talent so we can continue to reach new heights. Please let HR know if you know someone who is looking for work in any region of the company.

Keep an eye out in Eagle County for the renewed Magic School Bus. The Youth Foundation choose "Journey with Gerald" as theme in honor of Gerald's legacy. Gerald is still known for his dedication to local student's education and his tireless efforts to help children.
