

## Arrabelle

With a tight 10 week schedule, 3 TGC divisions have worked together at the Arrabelle. TGC's scope is removing and reinstalling the cast stone, stucco, and concrete on 13 balconies in order to repair faulty waterproofing. This project involves 250 pieces of cast stone weighing up to 1,500 lbs, all fastened with mechanical connections. We are also doing demo and reinstall for all scopes including stucco for new waterproofing, and replacing 13 heated concrete balconies. Seth Cole (10) said "The Daily Huddles and Pre-Job Planning Process have been an asset on this project.

Our improved processes have demonstrated their effectiveness at the Arrabelle." Fidel Macias (20), Victor Riquetty (31), and Joe Kleber (50) are doing a great job sharing resources among multiple divisions and will have this project done ahead of schedule

## Scotty Reardon is EOM for June by Casey Kraft

Scotty Reardon (50) has been working for Division 50 at the HAATS project in Gypsum, CO since Fall 2011. He has been faced with one of the most difficult projects Division 50 has completed in recent times. The Colorado National Guard and general contractor, Hensel Phelps, have counted on Scotty heavily to build the concrete foundation and flatwork to their rigid specifications and inspection process. There have been many challenges with the HAATS project including a tight schedule, tight budget, and demanding clientele. Although this project has not been easy, Scotty has persevered, met each challenge head on, and managed to keep our customers happy. Thanks to Scotty for all his hard work.

## Cleto Solorzano is EOM for July

Congratulations to Cleto Solorzano (90) on being the Employee of the Month for July. Gary Woodworth (10) originally nominated Cleto after observing his positive attitude and work ethic. Frank agreed with Gary's nomination saying, "Cleto has been with us since September 21, 2011. He started off as a laborer but has taken his Forklift training and is now a certified forklift operator, as well as a stone fabricator. Cleto is a great person with a great attitude always willing to learn and is a great assist to the stone yard, we look forward to having him on our team for a very long time." TGC appreciates Cleto's willingness to learn new skills, and his hard work and dedication. Thank you, Cleto!

## Graduating Seniors

Sheryl Gallegos' (10) son, Timothy Matthew Rivera graduated from Eagle Valley High School. He was accepted into the Lincoln School of Mechanics in Denver, but it still considering his options.

Amanda Schofield's (10) little brother Nick Burnett. He is graduating from Eagle Valley High School. His passion is racing motocross. Nick is going to take a year off to work and then he will be attending Wyotech in Daytona next fall.

Rosie Landeros' (10) niece Claudia will be graduating from Eagle Valley High School June 2nd. She will be attending Aveda Cosmetology School

## College Graduates

Randy and Ann Olin's daughter Lindsay graduated Magna Cum Laude from Pacific University in Forest Grove, Oregon on May 19th, earning Bachelor of Arts degrees in both Spanish and French. Lindsay was also honored with the Outstanding Foreign Language Student Award for French from the Confederation of Oregon Foreign Language Teachers. She plans to visit South America until an irresistible job presents itself!

Kevin and Darlene Hughey (60) are very proud to announce the graduation of their daughter Alyssa Marie Hughey from the United States Air Force Academy. She is graduating with a Bachelors in English and a minor in Spanish, and will be commissioned as a Second Lieutenant in the Air Force. This summer she will be moving to Columbus, Mississippi to start her pilot training and her career as an Air Force Officer. Congratulations Alyssa!

## Stoneyard Sale

The 2012 Annual Stoneyard Sale was a success this year. The sales totals were higher than last year, which marks an increase in sales for the second year in a row. Thank you to Frank Gutierrez, Marcette Gordon, Gary Herr, Jose Garcia, Bill McKeon, Juvenal Sandoval, Cleto Solorzano, Francisco Saenz, Andy Garcia (son of Jose Angel Garcia), Shannon Gallegos, Dacia Belisle, and Courtney Armitage for your hard work!

Congratulations to Chris Edwards (10), his wife Jamie, and older brother Cooper, on the recent addition to their family. Younger brother Andrew was born on April 28, 2012. He weighed 5lbs and 7 ozs and was 18 inches long. Congratulations to the whole Edwards family!

## Welcome Paul Plattner

Division 50 recently hired Paul Plattner as their new Superintendent. He has over 25 years experience in Concrete. We are excited to have him as part of the Gallegos team.

Thank you to Jen Law (10) and Linda Giordano (10) for volunteering the Youth Foundation's PowHer Up program. This is an opportunity for young women to learn business skills including resume writing and interviewing.

## Mark Your Calendars for the Vail 4th of July Parade

The Vail America Days is coming up, and our theme this year is "The Gallegos Corp: An Active Part of an Active Community". If you, or your child, has a jersey from a Gallegos sponsored team, we want you to join us and wear it in the parade. If you cannot make the parade on July 4th in Vail, please send the clean jersey to Courtney Armitage. It will be returned after the parade.

If you wish to watch the parade instead of ride along, come on by one of the Gallegos tents and hang out there! We will have a tent set up by the stage at Solaris and one in Lionshead. Help filling balloons and handing out water at the tents would also be appreciated.

## TGC partners with Colorado Mountain College to Create a Scholarship

Gerald Gallegos was committed to local philanthropic needs, especially those supporting youth and education. To honor this tradition, The Gallegos Corporation has partnered with the Colorado Mountain College Foundation to create The Gerald G. Gallegos Memorial Scholarship. This scholarship will benefit students pursuing an Associate's degree or a 4 year Bachelor's degree at the CMC Edwards campus.

As part of the agreement, CMC graciously named Classroom VE 258 the Gerald G. Gallegos room. The Gallegos Corporation recently held their Strategic Planning Retreat at CMC, and a Project Manager Training in the Gerald G. Gallegos room. The classroom features SmartBoard Technology, which will allow teleconferencing for training and meetings with other Regions in the future.

Creating this scholarship is a natural progression honoring Gerald Gallegos' heritage since education was a passion of his. Gerald was one of the original founders of The Youth Foundation and was an integral part of local education programs for youth from pre-school through higher education. The Gallegos Corporation wanted to continue this legacy with a long term commitment to students and their education.

## Highway Clean-Up

Saturday April 28, over 50 Gallegos employees and family members volunteered their time for the Annual Eagle River Watershed Council Highway Clean-up. With the largest turn out of Gallegos volunteers to date; the 2 miles of I-70 were cleaned in an hour. The community noticed our employees' efforts and appreciates their hard work. Thank you to all that participated!
